| <b>Course Objective</b>  | People who attend this course will be equipped and empowered to play the bass in church service setting.<br><br>Participants who are Gracians will be expected to avail themselves to serve in Church Services (audition required) after completion of the course.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| <b>Target Audience</b>   | People who wish to serve as a bassist in service setting.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| <b>Synopsis</b>          | <p>This course is tailored for either beginner or intermediate bass players, depending on your skill level.</p> <p>For beginners, this course will help you build a strong foundation in bass playing, covering essential techniques such as hand positioning, rhythm and timing, fretboard navigation, scales, chord theory, grooves, and musical accompaniment.</p> <p>For students who have already acquired the basics, the trainer will tailor the pace and focus areas according to your skill level and musical goals, ensuring a personalised and effective learning experience. Through practical exercises and song-based learning, students will build the skills and confidence needed to serve effectively in a worship band setting.</p> |

|                         |                                                                                                                                                                                                                                                                                                                                                                                                                                             |             |                                                                                                                                                                                                                                                                                                                                           |
